Monday 6th & Tuesday 7th of June 2016

9am-5.30pm

For a decade ICC Austria has hosted this annual Global Conference on Bank Guarantees attended annually by practitioners from almost 50 countries.

What makes this conference different and successful is our strong and distinctive focus on content. Our vision is to provide for a truly international forum that addresses the challenges and seeks to answer the questions Bank Guarantee practitioners face in their daily business environment.

Every year we arrange for a unique collection of different topics including, the industries' latest trends and developments as well as sessions that are designed to analyse the legal and practical issues in bonds and guarantees, explain their uses, highlight the areas of potential risk, show how to circumvent looming problems and teach effective drafting and documentation techniques.

For this to be delivered, ICC Austria can rely on the most distinguished expert speakers with not only long, successful careers in this global industry but also active involvement in the continuous work of the ICC Banking Commission.
